

ZOR 20R

Made in Taiwan

NEMO is founded on a commitment to adventure, to the fearless pursuit of uncharted paths, in everything from the equipment we build to the way we run our business. Bravely exploring new directions opens our minds, brings us closer to the people we depend on, sharpens our wits, and lifts our spirits. Adventure gives us purpose and perspective. It makes us humble and proud. We believe meaningful adventures are possible for anyone, anywhere. Possible, that is, if you bring the will, the imagination, and the right gear.

OUR VISION

ULTRALIGHT

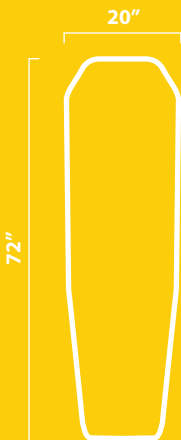

ZOR™ 20R

15 to 25F
-9 to -4C

ZOR™ SERIES

We developed a unique method of constructing Zor™ pads to provide the optimal combination of weight and insulation for minimalist exploration. Most lightweight pads utilize cutouts in their internal foam to reduce mass. NEMO has taken this a step further and combined both vertical and horizontal drilling (2-Axis Coring™) to reduce foam weight to the minimum without losing comfort or structural integrity.

ZOR™ 20R

Weight	14 oz / 405 g
Min Temp Zone	15 to 25F / -9 to -3C
Width	20 in / 51 cm
Length	72 in / 183 cm
Thickness	1.0 in / 2.5 cm
Pack Size	9x4.5 in dia / 23x11 cm dia
Fabric	20D Polyester
Color	Elite Yellow

Color	Elite Yellow

NEMO's sleeping pads bring a new level of comfort to the backcountry. Literally. Learn more about the unique anatomy of the pads at www.nemoequipment.com

Vertical and horizontal coring minimizes weight and packed size while still providing insulation.

ZOR™ SERIES

Ultralight Airlock Elite™ fabric allows Zor™ to pack smaller and weigh less.
