NOMAD™ 30XL

COMFORT

OUR VISION

NEMO is founded on a commitment to adventure, to the fearless pursuit of uncharted paths, in everything from the equipment we build to the way we run our business. Bravely exploring new directions opens our minds, brings us closer to the people we depend on, sharpens our wits, and lifts our spirits. Adventure gives us purpose and perspective. It makes us humble and proud. We believe meaningful adventures are possible for anyone, anywhere. Possible, that is, if you bring the will, the imagination, and the right gear.
